Dear Sir/Madam,

Due to my mistake, the document "A REPORT ON HEEGAARD SPLITTINGS OF EXTERIORS OF 1-GENUS 1-BRIDGE KNOTS" by Prof. H.Goda and Prof. C.Hayashi, which had been regularly submitted to me was not included in the original issue, 数理解析研究所講究録 1229 (Sūrikaisekikenkyūsho Kōkyūroku, vol. 1229). This booklet is the document and please attach it to the last page of the original issue.

It is my great regret particularly for Prof. H.Goda and Prof. C.Hayashi that their document is published in such a irregular form, and I would like to express my sincere apology to them.
